**ARTICLE VII.**

The Association shall indemnify any person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as hereinafter defined) because the person (i) is or was a Director or officer of the Association or (ii) while a Director or officer of the Association, is or was serving at the request of the Association as a trustee, officer, partner, venturer, proprietor, Director, employee, agent, or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise, to the fullest extent that a corporation may grant indemnification to a Director under the Texas Non-Profit Association Act, as the same exists or may hereafter be amended. Such right shall be a contract right and shall include the right to be paid by the

Association expenses incurred in defending any such proceeding in advance of its final disposition to the maximum extent permitted under the Texas Non-Profit Association Act, as the same exists or may hereafter be amended. If a claim for indemnification or advancement of expenses hereunder is not paid in full by the Association within ninety (90) days after a written claim has been received by the Association, the claimant may at any time thereafter bring suit against the Association to recover the unpaid amount of the claim, and if successful in whole or in part, the claimant shall be entitled to be paid also the expenses of prosecuting such claim. It shall be a defense to any such action that such indemnification or advancement of costs of defense are not permitted under the Texas Non-Profit Association Act, but the burden of proving such defense shall be on the Association. Neither the failure of the Association (including its Board of Directors or any committee thereof, special legal counsel, or members, if any) to have made its determination prior to the commencement of such action that indemnification of, or advancement of costs of defense to, the claimant is permissible in the circumstances nor an actual determination by the Association (including its Board of Directors or any committee thereof, special legal counsel, or members, if any) that such indemnification or advancement is not permissible shall be a defense to the action or create a presumption that such indemnification or advancement is not permissible. In the event of the death of any person having a right of indemnification under the foregoing provisions, such right shall inure to the benefit of that person's heirs, executors, administrators, and personal representatives. The rights conferred above shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, bylaw, resolution of members, if any, or Directors, agreement, or otherwise. To the extent permitted by then applicable law, the grant of mandatory indemnification to any person pursuant to this Article shall extend to proceedings involving the negligence of such persons. The Association may additionally indemnify any person covered by the grant of mandatory indemnification contained above to such further extent as is permitted by law and may indemnify any other person to the fullest extent permitted by law. The Association may purchase and maintain insurance on behalf of any person who is serving the Association (or another entity at the request of the Association) against any liability asserted against him and incurred by him in such a capacity or arising out of his status as such a person, whether or not the Association would have the power to indemnify him against that liability under this Article or by statute. Notwithstanding the foregoing, no person shall be indemnified pursuant to the provisions of this Article and no insurance may be maintained on behalf of any person if such indemnification or maintenance of insurance would subject the Association or such person to income or excise tax under the Internal Revenue Code of the United States as in effect from time to time (the "Code"), including any tax asserted under Chapter 42 of the Code. As used herein, the term "proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, arbitral, or investigative, any appeal in such an action, suit, or proceeding, and any inquiry or investigation that could lead to such an action, suit, or proceeding.

**ARTICLE VIII.**

To the fullest extent permitted by applicable law, no Director of the Association shall be liable to the Association for monetary damages for an act or omission in such Director's capacity as a Director of the Association, except that this paragraph shall not eliminate or limit the liability of a Director of the Association to the extent the Director is found liable for any of the following:

- A. A breach of such Director's duty of loyalty to the Association;

VOL 4509723 03555

04723 03555

- B. An act or omission not in good faith that constitutes a breach of duty of the Director to the Association, or an act or omission that involves intentional misconduct or a knowing violation of the law;
- C. A transaction from which such Director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of such Director's office; or
- D. An act or omission for which the liability of such Director is expressly provided for by statute.

Any repeal or amendment of this Article by the Association shall be prospective only, and shall not adversely affect any limitation on the personal liability of a Director of the Association existing at the time of such repeal or amendment. In addition to the circumstances in which a Director of the Association is not personally liable as set forth in the foregoing provisions, a Director shall not be liable to the Association to such further extent as permitted by any applicable law hereafter enacted, including without limitation, any subsequent amendments of the Texas Miscellaneous Association Laws Act or the Texas Non-Profit Association Act.

#### ARTICLE IX.

The Board of Directors shall adopt Bylaws consistent with these Articles of Incorporation and the Declaration. Thereafter, the Bylaws may be amended (including the repeal of the Bylaws accompanied by the adoption of new Bylaws) (a) by a resolution of the Declarant at any time prior to the Conversion Date (and if at such time there are more than one Declarant, said resolution shall have been adopted or approved by each such Declarant), or (b) by (i) the vote of Members holding a majority of the total eligible votes of the Class "A" Members voting in person or by proxy at a meeting duly called for such purpose and (ii) the assent of the Class "B" Member, so long as such membership exists. To the extent that this provision (x) requires that a greater number of votes of Members be cast for the adoption of an amendment to the Bylaws than would otherwise be required under the Texas Non-Profit Corporation Act or other law or (y) permits the Bylaws to be amended by the casting of a lesser number of votes of Members than would otherwise be permitted under the Texas Non-Profit Corporation Act or other law, this provision is intended to, and shall operate to, limit, enlarge or deny (as is applicable) voting rights of certain classes of Members.

#### ARTICLE X.

The Association is a non-profit corporation, without capital stock, organized solely for the purposes specified in Article IV; and no part of the Association's property, whether income or principal, shall ever inure to the benefit of, or be distributable to, any Director, officer or employee of the Association, or of any individual having a personal or private interest in the activities of the Association, nor shall any such Director, officer, employee, or individual receive or be lawfully entitled to receive any profit from the operations of the Association, except a reasonable allowance for salaries or other compensation for personal services actually rendered in carrying out one or more of its stated purposes.

Upon dissolution of the Association, other than incident to a merger or consolidation, any assets required to be distributed pursuant to the terms of §6.02A(1), (2) or (3) of the Texas Non-Profit

Corporation Act, as amended, shall be so distributed, and any excess assessments collected by the Corporation shall be rebated to the Members to the extent that such rebate by a "homeowner's association" is permitted by Section 528 of the Internal Revenue Code and in the manner determined by the Board of Directors to most fairly take into account the amount and nature of assessments paid to the Association with respect to each Lot comprising the Property from among the manners of distribution permitted in the case of a homeowner's association qualifying under Section 528 of the Internal Revenue Code.

**ARTICLE XI.**

These Articles may be amended by (i) the vote of Members holding two-thirds (2/3) of the total eligible votes of the Class "A" Members voting in person or by proxy at a meeting duly called for such purpose and (ii) the assent of the Class "B" Member, so long as such membership exists. To the extent that this provision (x) requires that a greater number of votes of Members be cast for the adoption of an amendment to these Articles than would otherwise be required under the Texas Non-Profit Corporation Act or other law, (y) permits these Articles to be amended by the casting of a lesser number of votes of Members than would otherwise be permitted under the Texas Non-Profit Corporation Act or other law or (z) permits these Articles to be amended without a resolution of the Board of Directors, this provision is intended to, and shall operate to, limit, enlarge or deny (as is applicable) voting rights of certain classes of Members and limit the authority of the Board of Directors.

**ARTICLE XII.**

Any action required by the Texas Non-Profit Corporation Act to be taken at a meeting of the members or directors of a corporation or any action that may be taken at a meeting of the members or directors or of any committee may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of members, directors or committee members as would be necessary to take that action at a meeting at which all of the members, directors or committee members entitled to vote with respect to the subject matter thereof were present and voted.

**SECTION 5 MEMBERSHIP, MEMBER IN GOOD STANDING, VOTING RIGHTS, VOTING, CUMULATIVE VOTING, QUORUM, PROXIES, ACTION WITHOUT A MEETING**

**5.1 Membership.** The determination of who is or may be a Member, and the causes and effects of termination of membership in the Association, shall be governed by the terms of the Declaration, including without limitation Article II thereof.

**5.2 Member in Good Standing.** A Member of the Association shall be considered to be a Member in good standing and eligible to vote if such Member:

- (a) Has, not less than seven (7) days prior to the taking of any vote by the Association, fully paid all assessments or other charges levied by the Association then due and payable, as such assessments or charges are provided for hereunder and in the Declaration; and
- (b) Has discharged all other obligations to the Association as may be required of Members hereunder or under the Declaration.

The Board of Directors shall have sole responsibility and authority for determining the good standing status of any Member at any time, and shall make such determination with respect to all Members prior to a vote being taken by the Members on any matter. The Board of Directors shall have the right and authority, in its sole discretion, to waive the seven (7) days prior payment requirement and require only that such payment be made at any time before such vote is taken if the Board of Directors shall determine, in its own judgment, that extenuating circumstances exist that have prevented a particular Member from meeting either or both of the requirements stated herein at or before seven (7) days in advance of any vote. Any Member not conforming with the provisions of this Section 5 shall be declared by the Board of Directors to be not a Member in good standing and, unless the time requirement hereunder is specifically waived by the Board of Directors in writing prior to any particular vote being taken, shall be disqualified from voting

on matters before the Association until such time as Member in good standing status is attained and so declared by the Board of Directors.

**5.3 Voting Rights in the Association.** The Members shall have voting rights with respect to the affairs of the Association as set forth in the Declaration and as limited, enlarged or denied by the terms and provisions of the Articles of Incorporation and these Bylaws.

**5.4 Voting.** Only Members in good standing shall be entitled to vote, and voting membership shall be decreased by the number of Members who are not Members in good standing to determine the votes entitled to be cast for the purpose of establishing a quorum, such determination of the total number of Members in good standing to be as of the date of which a vote is taken (subject to the operation of Section 5.2). The vote of the majority of those votes entitled to be cast by the Members in good standing present or voting by legitimate proxy, regardless of class, at a duly called meeting at which a quorum of Members are represented shall be sufficient for the transaction of any business, unless otherwise provided by law, the Articles of Incorporation, these Bylaws or the Declaration.

**5.5 Notice and Quorum.** Written notice of any meeting called for the purpose of taking any action authorized herein shall be given to all Members who, at the time of the giving of the notice, would be entitled to vote at such meeting, not less than ten (10) days nor more than sixty (60) days in advance of the meeting and shall set forth the purpose of such meeting (except to the extent that a different notice period is provided for in the Declaration, in which case the notice period provided for in the Declaration shall govern). At any such meeting called, the presence of Members or of proxies or voting representatives holding sixty percent (60%) of all the eligible votes of the Association, regardless of class, shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and the required quorum at such subsequent meeting shall be one-half (1/2) of the quorum requirement for such prior meeting. The Association may call as many subsequent meetings as may be required to achieve a quorum (the quorum requirement being reduced for each such meeting). No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**5.6 Proxies.** Votes may be cast in person or by written proxy. No proxy shall be valid after eleven (11) months from the date of its execution unless specifically provided in the proxy. All proxies must be filed with the Secretary or Assistant Secretary, if any, of the Association before the appointed time of each meeting.

**5.7 Action Without a Meeting.** As an alternative to the procedures set forth hereinabove, the transaction of any business of the membership of the Association may be taken without a meeting if a consent in writing setting forth the action to be taken shall be signed by a sufficient number of Members as would be necessary to take that action at a meeting (occurring on the date of the last signature thereto) at which all of the Members then eligible to vote were present and voted.

**SECTION 6 ASSOCIATION RESPONSIBILITIES AND MEETINGS OF MEMBERS**

**6.1 Association Responsibilities.** The Members will constitute the Association. The Association will have the responsibility, acting through the Board of Directors, to fulfill the purposes for which the Association is formed, as set forth in Section 4.1 above. In the event of any dispute or disagreement between any Members relating to the Common Properties, or any questions of interpretation or application of the provisions of the Declaration, the Articles of Incorporation of the Association or these

Bylaws, such dispute or disagreement shall be submitted to the Board. The reasonable determination of such dispute or disagreement by the Board shall be final and binding on each and all such Members.

**6.2 Place of Meetings.** Meetings of the Association shall be held at such suitable place, reasonably convenient to the Members, as the Board of Directors may determine.

**6.3 Annual Meetings.** The annual meetings of the Association shall be held on or before forty-five (45) days after the expiration of the prior fiscal year of the Association. At such meetings there shall be elected by ballot of the Members a Board of Directors in accordance with the requirements of *Section 7.6* of these Bylaws. The Members may also transact such other business of the Association as may properly come before them. If, in any year, the election of Directors is not held on the day designated for the annual meeting, or at any adjournment of the annual meeting, the Board of Directors shall call a special meeting of the Members as soon thereafter as is reasonably possible to conduct the election of Directors. If, in any year, the Directors are elected by written consent of Members as permitted by the Articles of Incorporation of the Association and *Section 6.7* of these Bylaws, there shall be no separate annual meeting of the Association during that year, and the annual meeting for that year shall be deemed to have occurred on the date of the last signature to that written consent.

**6.4 Special Meetings.** Special meetings of the Members may be called by action of the President, by resolution of the Board of Directors, or by a petition signed by Members holding not less than one-sixth (1/6) of the votes of the Association (of all classes) eligible to vote. The notice of any special meeting shall state the time and place of such meeting and the purpose thereof. No business except as stated in the notice shall be transacted at a special meeting. Any such meetings shall be held within sixty (60) days after receipt by the President of such resolution or petition.

**6.5 Notice of Meetings.** It shall be the duty of the Secretary or Assistant Secretary, if any, of the Association to provide notice of each annual or special meeting, stating the purpose thereof as well as the time and place it is to be held, to each Member who, at the time of the giving of the notice, would be entitled to vote at such meeting, at least ten (10) days, but not more than sixty (60) days prior to such meeting (except to the extent that a different notice period is provided for in the Declaration, in which case the notice period provided for in the Declaration shall govern). The delivery of a notice in any manner as provided in *Section 13.3* of these Bylaws shall be considered notice served.

**6.6 Order of Business.** The order of business at all meetings of the Members shall be as follows:

**7.6 Election and Term of office.** At the first meeting of the Association the term of office of the three (3) Directors shall be fixed at one (1) year. At the expiration of the initial term of office of each respective Director, his successor shall be elected to serve a term of one (1) year. Each Director shall hold office until its qualified successor has been duly elected. Directors of the Association shall be elected by a plurality of the votes cast by the Members (regardless of class) entitled to vote in the election of directors of the Association at a meeting of Members at which a quorum is present. Cumulative voting for the election of directors is expressly denied and prohibited.

**7.7 Vacancies.** Vacancies in the Board of Directors caused by death, resignation, or disqualification, or by any other reason other than the removal of a Director by a vote of the Association, shall be filled by vote of the majority of the remaining Directors, even though they may constitute less than a quorum; and each person so elected shall be a Director until a qualified successor is duly elected at the next annual meeting of the Members. If a vote by the Board of Directors fails to result in any one candidate being elected by a majority, then the Members may elect a Director in accordance with *Section 7.6* to fill the vacancy.

**7.8 Removal of Directors.** For so long as the Class B membership exists (as described by the Declaration), any one or more of the Directors may be removed with or without cause by resolution of the Class B Member (and if more than one Class B Member exists, then by a resolution of those Class B Members holding a majority of the eligible votes of the Class B membership) and a successor may similarly be elected to fill the vacancy thus created. Thereafter, at any annual or special meeting of the Association duly called, any one or more of the Directors may be removed with or without cause by the Members holding a majority of the votes of the Association (regardless of class) entitled to vote (and present in person or by proxy) at a meeting duly called for such purpose, and a successor may then and there be elected to fill the vacancy thus created. Any Director whose removal has been proposed by the Members shall be given an opportunity to be heard at the meeting (unless the removal is effected by written consent as permitted by the Articles of Incorporation of the Association and *Section 6.7* of these Bylaws).

**7.9 First Meeting of New Board.** The first meeting of a newly elected Board of Directors following the annual meeting of the Members shall be held within ten (10) days thereafter at such time and place as shall be fixed by the Directors at the meeting at which such Directors were elected, and no notice of shall be necessary to the newly elected Directors in order to conduct such meeting, providing a majority of the Directors shall be present. If the Directors are elected by written consent of the Members, the first meeting thereafter of the newly elected Board shall be held within ten (10) days after notice of such election is given to each Director, and such meeting shall occur at such time and place as may be fixed by the Members in such written consent or otherwise by a majority of those Directors (and if the time and place is determined by the Directors, notice thereof shall be given in accordance with *Section 7.10*).

**7.10 Regular Meetings.** Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors, but at least one such meeting shall be held during each calendar year. Notice of regular meetings of the Board of Directors shall be given to each Director, personally or by mail, telephone or facsimile, at least five (5) days prior to the day named for such meeting.

**7.11 Special Meetings.** Special meetings of the Board of Directors may be called by the President on five (5) days' notice to each Director, given personally or by mail, telephone or facsimile, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary or Assistant Secretary of the Association in like manner and on like notice on the written request of one or more Directors.

**7.12 Waiver of Notice.** Before or after any meeting of the Board of Directors, any Director may, in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a Director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all the Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

**7.13 Board of Directors' Quorum.** At all meetings of the Board of Directors, a majority of the Directors shall constitute a quorum for the transaction of business, and, except as is otherwise specifically provided elsewhere in these Bylaws or the Declaration, the acts of the majority of the Directors present at a meeting at which a quorum is present shall be the acts of the Board of Directors. If, at any meeting of the Board of Directors, there be less than a quorum present, the majority of those present may adjourn the meeting from time to time. At any such adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

**7.14 Action without a Meeting.** As an alternative to the procedures set forth hereinabove, the transaction of any business of the Board of Directors may be taken without a meeting if a consent in writing setting forth the action to be taken shall be signed by a sufficient number of directors as would be necessary to take that action at a meeting at which all of the directors entitled to vote with respect to the subject matter thereof were present and voted.

**7.15 Compensation.** No member of the Board of Directors shall receive any compensation for acting as a Director.

**8.5 Right to Purchase Insurance.** The Association shall have the right and option to purchase, carry and maintain in force insurance covering any or all portions of the Common Areas, Common Facilities, Common Personality and any other property owned by the Association, the improvements thereon and appurtenant thereto, for the interest of the Association and of all Members thereof, in such amounts and with such endorsements and coverage as shall be considered good sound insurance coverage for properties similar in construction, location and use to the Common Areas, Common Facilities, Common Personality and any other property owned by the Association. The Association shall use the net insurance proceeds to repair and replace any damage or destruction of property, real or personal, covered by such insurance. Any balance from the proceeds of insurance paid to the Association remaining after satisfactory completion of repair and replacement shall be retained by the Association as part of a general reserve fund for maintenance, repair and replacement of the Common Properties.

**8.7 Insufficient Proceeds.** If the insurance proceeds are insufficient to repair or replace any loss or damage, the Association may levy a special assessment as provided for in the Declaration (or increase the Regular Annual Assessment) to cover the deficiency. If the insurance proceeds are insufficient to repair or replace any loss or damage for which an Owner is bound, such Owner shall, as such Owner's undivided responsibility, pay any excess costs of repair or replacement.

**8.8 Mortgage Protection.** There may be attached to all policies of insurance against loss or damage by fire and other hazards, a mortgagee's or lender's loss payable clause; provided, however, that amounts payable under such clause to the mortgagee may be paid to the Association to hold for the payment of costs of repair or replacement, subject to the provisions of *Section 8.6* hereof. The Association shall be responsible to hold said monies or to collect additional monies if the proceeds are insufficient to pay for the cost of all repairs or replacements and shall ensure that all mechanic's, materialmen's and similar liens which may result from said repairs or replacements are satisfied.

## **SECTION 9 OFFICERS**
